To Whom it May Concern:

I write to strongly recommend Christophe Rouleau-Desrochers for a Logiq award. I have had the pleasure of knowing Christophe since spring 2023 when he approached me about the possibility of a position in my research lab, and I believe he is an exceptional candidate.

He will be completing a research internship in my lab this summer (summer 2024).

If you have any questions please do not hesitate to contact me.

Sincerely,
